Christina motioned to sign the Supplemental Intent to Cut for Green Acre Woodlands, Kyle 2nd, so voted.

Installation of New Doors/Disposal of PD Doors

Matt Fysh will work on replacing the front and back doors of the Town House on a Tuesday or Thursday as those days have less traffic. The old Police Department doors will be placed by the side of the road with a free sign on them. If they are not taken by the time the project is finished the contractor will dispose of them.

Building Elevation Certification

Kyle motioned to have the Building Elevation Certification for the Town Garage and former Town Offices done by Barnard Survey, Christina 2nd, so voted. The certificate is needed as a part of the grant application to relocate the Town Garage.

QUESTIONS AND COMMENTS

Pam Yinger announced that the Hebron Fair Committee will be taking white elephant donations on Saturday, July 7 at the church.

Slim Spafford asked if there would be proper salt sheds constructed on the new Town Garage lot. The Board explained that the Road Agent is aware of the need to have proper shed(s), and that even though the shed(s) will not be a part of the grant (FEMA will not cover this) it is a requirement that the salt be housed on an impermeable surface.

The Board announced that Groton Wind has begun to bring in turbine sections. The Company would like to bring in 3 turbines per week.

Betty Smolinsky stated that early in the morning there are some trucks coming over the hill from the direction of the Town House traveling very fast. Christina urged her to leave a message with the Police Department.

Kyle motioned to adjourn at 7:40pm, Christina 2nd, so voted.

Respectfully Submitted
