

PLEDGE

I pledge to support Driving Toward Zero's efforts to prevent roadway deaths and to help make New Hampshire's roads safe for everyone.

I promise to...

- Never drive under the influence of drugs or alcohol;
- Avoid riding in cars when the driver is impaired;
- Use my seat belt —and I'll make sure anyone who rides with me will, too;
- Put child passengers in properly installed child safety seats;
- Obey the posted speed limits and traffic laws;
- Always stop at red lights and stop signs;
- Move over for emergency vehicles;
- Be a focused driver and follow the NH's Hands-Free Electronic Device Law by not texting, talking, holding, navigating, or using a handheld device while behind the wheel;
- Share the road with motorcycles, pedestrians, bicyclists, large trucks, and others on the road;
- Share NHDTZ's message with people at home, school, my company, and in the community;

Take the NH Safe Driving Pledge!

If you are interested in a quarterly newsletter regarding NH roadway safety; please leave your email.
