North Groton Road Project

Discussion on current plan, majority of board recommends this current plan. Question raised regarding NH Department of Transportation (NHDOT) specifications if a copy of this was available. Add Blacktop to list of companies.

The committee reviewed the bid specifications and proposed RFP worksheet making the following changes:

North Groton Road Project Specification/Bid Requirements.

Change #5 under project specifications to: Fine grade water compacted for 8605 lf-total length.

Add #10. Underdrain per linear foot where needed.

Public Works Director Site Visit Checklist

Add to #4 Culvert Replacements & Headers

Add #12 Ditching

Add #13 Underdrain

Change Meeting log sheet to be: North Groton Road Project Specifications Bid Requirements Meeting Log.

Driveway Permit/Regulations Put off until May.

Other: None

Next Meeting None scheduled.

Meeting adjourned at 7:11pm.

Respectfully submitted,

Road Committee
