Town of Groton - Road Committee Meeting

January 14, 2020

Meeting commenced 6:00 PM.

In attendance: Tony Albert, Robert (Bubba) Ellis, Ruth Millett & Ann Joyce.

Absent: Jeremy Haney, Dan Tobine, James Joyce & Roger Thompson.

There will be three warrant articles from the Road Committee.

Warrant Article 1: The hazard mitigation grant in the amount of \$500,000 has been awarded to the Town of Groton. This is a 50-50 grant with the cost to the Town of Groton being \$250,000. This grant is to grind the whole road up to Sculptured Rocks Park, replace 8-10 culverts, create an underdrain system & bring the road up 16-18" from Hardy County down approximately 1000 feet. Raising the road will create ditches on the side of the road & alleviate drainage issues due to the amount of ledge present.

Warrant Article 2: \$100,000 for the one-inch wear course from Halls Brook Road & the area that was shimmed last year for approximately 1,000 feet past Nadeau Lane. This will be dependent on the cost of asphalt for 2020.

Warrant Article in the amount \$25,000 for the repair of Groton Roads. The plan is to repair North fletcher Road, Old Rumney Road & continue with culverts on River Road. Waiting for the FEMA funds to replace the culvert by the brook on Edgar Albert Road.

Meeting adjourned 6:36 PM.
