QUESTIONS AND COMMENTS:

Building Update

Ann asked for an update on the building. Tony explained that Casey is down some guys right now and has a septic project that he has to finish first but is planning on coming here soon. They have done some mowing at the site and they do not believe the site work will take very long. We are still hopeful that the site work and foundation can be completed so the building can be installed this year. This will all depend on weather.

There were no other questions or comments from the audience.

Having no other business to conduct, John motioned to adjourn at 7:10pm, Tony 2nd, so voted.

Respectfully Submitted,

Sara Smith
