

Groton Transfer Station

Recyclable Items

The Town of Groton recycles aluminum cans, batteries, tires, electronics, waste oil, light bulbs, and scrap metal.

Please see a Transfer Station Attendant if you have any of these items.

Thank you for your efforts recycling these items!

THE TOWN HAS THE RIGHT TO LIMIT THE AMOUNT OF HOUSE HOLD TRASH BEING BROUGHT TO THE TRANSFER STATION. ANY AMOUNT TO BE FOUND EXCESSIVE WILL BE CHARGED AT A RATE OF \$5.00 PER BAG OR MAY BE TURNED AWAY IF THERE IS NOT ENOUGH ROOM IN THE CONTAINERS FOR THE EXTRA BAGS.

Groton Transfer Station

Construction & Debris

The Town accepts construction and debris from Groton private property owners only. Contractors are not allowed to dump even if the materials are generated from a job that is contracted in Groton. See attendant FIRST before any disposal. Payment of cash or check (payable to the Town of Groton) is done at the time of disposal. Any items or construction material containing ASBESTOS or other HAZARDOUS MATERIAL will not be accepted. You will be responsible for cleanup costs associated with any improper or illegal dumping.

The cost per load is fixed regardless of whether or not the vehicle in question is full. If the vehicle is not a full load, the Transfer Station attendant has been approved to adjust the price. All mixed loads that contain 25% or more of shingles or masonry will be charged the shingle/masonry price.

Anyone with questions should contact the Transfer Station before bringing the material for disposal.
