The Town of Groton accepts construction and debris from Groton private property owners **only**. *Contractors are not allowed to dump even if the materials are generated from a job that is contracted in Groton.* See attendant **FIRST** before any disposal. Payment of cash (exact change) or check (payable to the Town of Groton) is required at the time of disposal.

The cost per load is fixed regardless of whether or not the vehicle in question is full. All mixed loads that contain 25% or more of shingles will be charged the shingle price.

Anyone with questions should contact the Transfer Station at 744-3623 before bringing their C & D for disposal.

Any items or construction material containing ASBESTOS or other HAZARDOUS MATERIAL will not be accepted. You will be responsible for cleanup costs associated with any improper or illegal dumping.
